The members of the 2025 Practical Nursing class thank their families and friends for their support during their enrollment at New River Community College.

Because the list of names must be furnished to the printer in final form seven days prior to the ceremony, it is possible that one or more of the candidates listed may have been unable to complete all requirements for a certificate. Inability to remove a name before printing the program does not commit the college to grant a certificate to a person listed.
