

NRCC SERVICE LEVEL AGREEMENT PEOPLESOFT SYSTEM

Customers

College faculty, staff, and students

Mission

To support an integrated, technologically advanced PeopleSoft System that provides and supports improved access, administration, information, and services for students, faculty, staff, educational institutions, business and industry, and other external customers. The NRCC Information Technology department will provide network and operations support, Help Desk support, troubleshooting, vendor management, and modification and maintenance of the PeopleSoft AIS, HR, SIS.

Services Covered

The Information Technology department will provide network and operations support, Help Desk support, troubleshooting, vendor management, and modification and maintenance of the PeopleSoft. The following PeopleSoft modules are included in the scope of this SLA:

- PS Academic Advisement
- PS Advancement (when available)
- PS Admissions
- PS Campus Community
- PS Financial Aid
- PS Student Financials
- PS Student Records
- PS Human Resource
- PS Administrative Information System

Note: This SLA applies only to college-based support services.

Service Goals

Manage technology resources to maintain a 98% availability of Utility hardware and software systems during scheduled hours. (This 98% availability applies to all components housed within and under the direct control of the Information Technology department at NRCC. Outages of vendor-controlled resources are beyond immediate college management control and are not included in this calculation.)

Location

New River Community College
5251 College Drive
Route 100 North
Dublin, VA 24084

Contacts

Help Desk - (540) 674-3600, ext. 4400
Director, Customer Support Center - (540) 674-3621 Email -
NR4HELP@nr.edu
Fax - (540) 674-3622

Hours of Support

The on-line and batch systems are scheduled to be available 24 x 7 excluding scheduled backup and maintenance periods.

Operators will provide coverage 24 hrs/day Monday – Friday until 5:00 pm Saturdays.

Operates in unattended mode all other times.

Environments Supported

All data base, application, and file server components of the Student Information System under direct control of the college.

All telecommunication and network equipment supported by the college.

Method for Requesting Services

Requests are made to the Help Desk via phone (540-674-3600, ext.4400) or e-mail (NR4HELP@nr.edu).

Technical support, where questions related to connectivity, operational status of the infrastructure, etc., will flow through the college help desk to the college help desk using established processes and procedures.
